December 2020 NEWSLETTER

On behalf of all the Lakeland board members,

We would like to thank all the riders for a great year and a safe season. This was the busiest season the club has ever had on our trails and routes. We continue to look at new trails off the blacktop roads. We always want this to be on the top of YOUR clubs list of things to get done.

Also we want to thank all of the towns and counties that allow us to ride in and through their roads. We will continue to gain respect as we all ride safe and obey the laws.

Lakeland club would like to give a special thanks to our outgoing president, Dewey Stenberg. Dewey has given countless hours of his time for the benefit of this club !!

Also to Phil Albert - Club Secretary.

THANK YOU !!
