June 2020 NEWSLETTER

## HOW TO MAKE DAD HAPPY THIS FATHER'S DAY

*but*

From the  
President's Desk

## **Attention all Lakeland ATV/UTV Club members!**

We need your help to save our Town Routes. We are getting multiple complaints of speeding on Arbor Vitae, Minocqua, and Woodruff town routes. There are also issues with ATV/UTVs tearing up the graveled town road routes.

If we want to keep the privilege of the use of the town routes, we all need to work together to keep them. The speed limits were set by the towns as part of getting these routes opened. Believe me these routes will be closed if the speeding doesn't stop. Then all the Effort, Time and Money put into getting these town routes opened and signed will be for nothing.

Please help spread the word, the speeding needs to stop! Please help to educate those you see abusing our Privilege of the use of the town roads.

With everyone these days having a camera, use it get the license number or a video of those doing wrong and turn it over to law enforcement. If you don't want to deal with law enforcement Please turn them over to the Club.

Please help us get these issues under control.

If you want to keep the privilege to the use of these town routes, we need you to step up and help make it happen.

Thank you and have a safe and fun riding season

Dewey Sternberg Lakeland ATV/UTV Club.

# **Volunteers!**

**We are looking for volunteers for Trail/Route maintenance group.**

**We passed around a signup sheet at our last meeting and would like to get the word out to all of the members.**

**This would entail Signing Trails/Routes, brushing around Signs picking up the garbage laying around and checking on the signage that is on Routes and Trails.**

**The Lakeland ATV/UTV Club covers a large area.**

**We have Routes and Trails in three County's covering six Townships. If you are interested you can contact Dewey Sternberg at 715-499-3443**

**\*\*\*\*\***

**For the Volunteer Group we would like to hold a Trail/Route Signing Class and go over issues involved.**

**Then assign areas for the volunteers to take care of.**
