LAKELAND ATV CLUB

May 2020 NEWSLETTER

*Never thought I'd see the day when
rules change faster than the weather
in the Northwoods !*

*But I'm trying to stay a head of the changes.
Because of this, the April Newsletter was
Deleted 6 times before I just gave up and not put
out wrong information about
meeting dates and club events.
As of tonight, this all I know for sure.
(See Meeting Date Box.)*
