The Lakeland ATV Club would like to say thank you to Chuck DeBacker and Lakeside Docks for their generous Donations to the Club.

Thanks to the China Virus our Club activities have been affected as it has done to everyone. We canceled our Fund Raiser. Canceled meetings and had fewer Club rides. There will be no Xmas Party this year. We are hoping things will get better in 2021.

There will be openings on the Board that will need to be filled for our next election. We are looking into moving our election from February to late spring or early summer. With hope that more people would be around for meetings then. If you are contacted by one of our committee members please consider volunteering. The small group that has been running this Club are getting pretty burned out.

The Officers and Board of the Lakeland ATV Club would like to wish all
