From My Desk

ebay motors is giving away \$10,000 to a person who signs up under the ATV category. Why can't it be one of us? If you do not want to receive emails, you can always opt out after you register. Good Luck

The new trail from county Highway J in Woodruff, Wi. to the Woodruff Town Office has been completed. It has been inspected and it is officially open. Thanks to the crew that helped out killing all of the weeds and underbrush to make this happen.
